LAB ASSIGNMENT #3

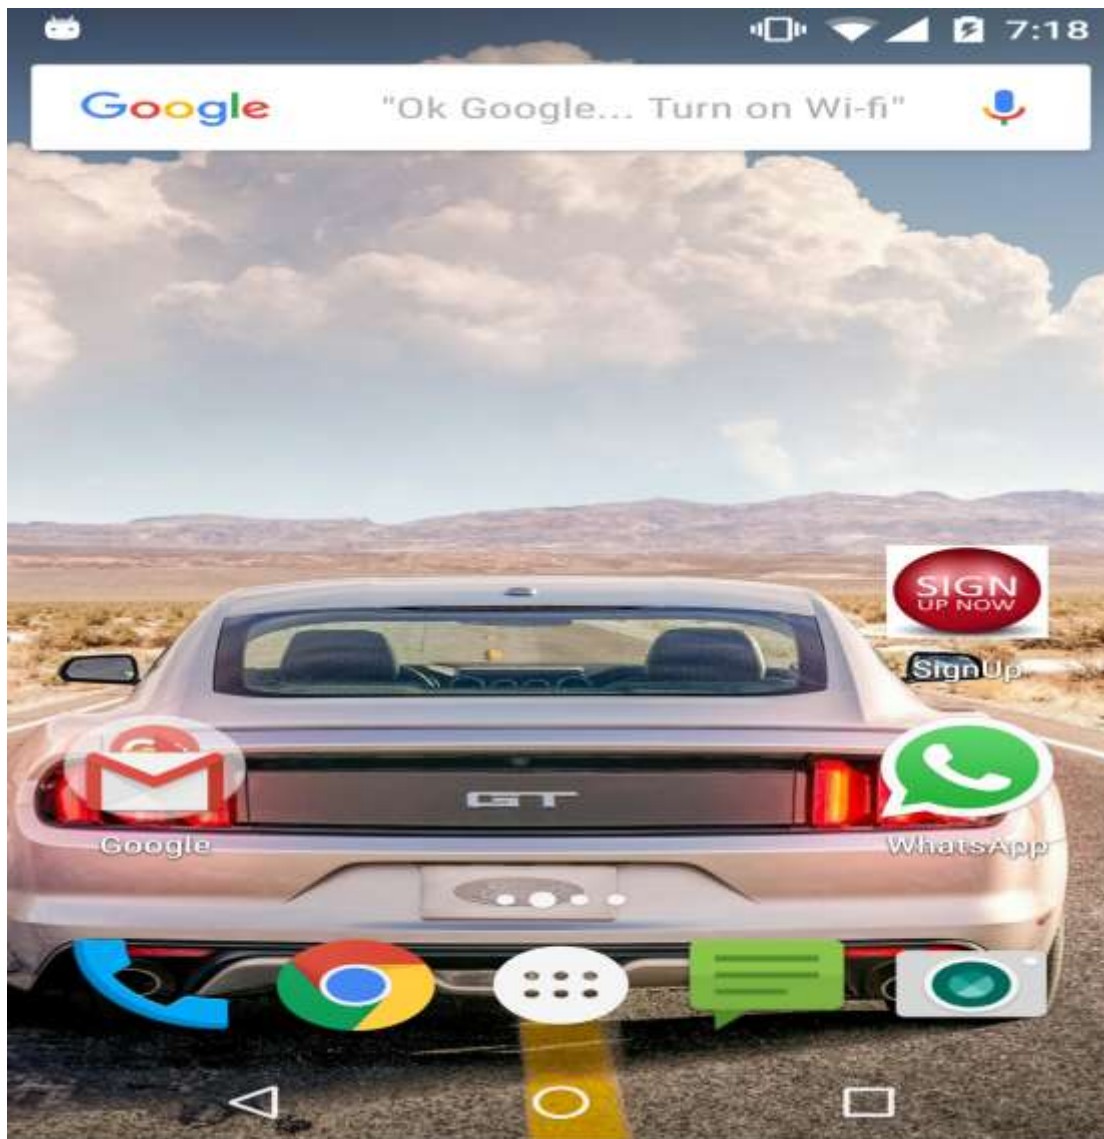

Sign Up Page having Camera and Map features

Application name : Sign Up

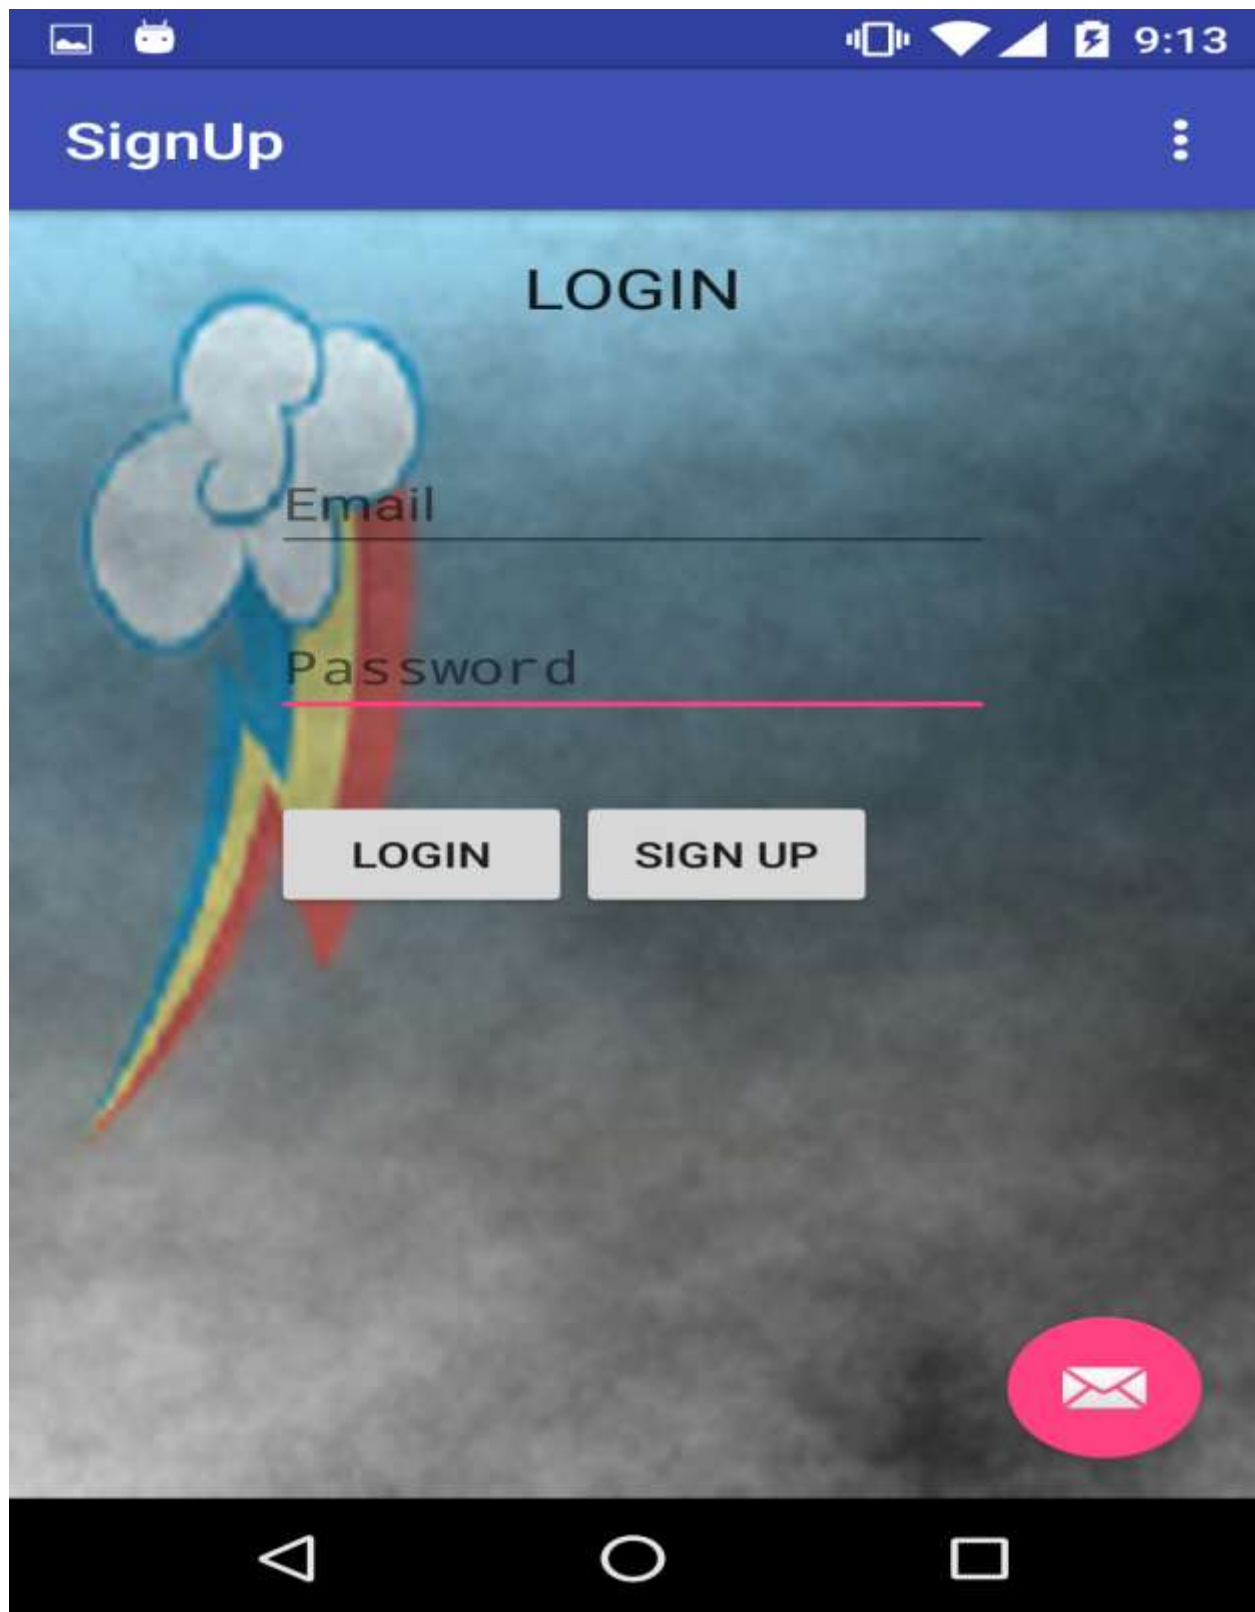

Device : Moto X2

ScreenShots:

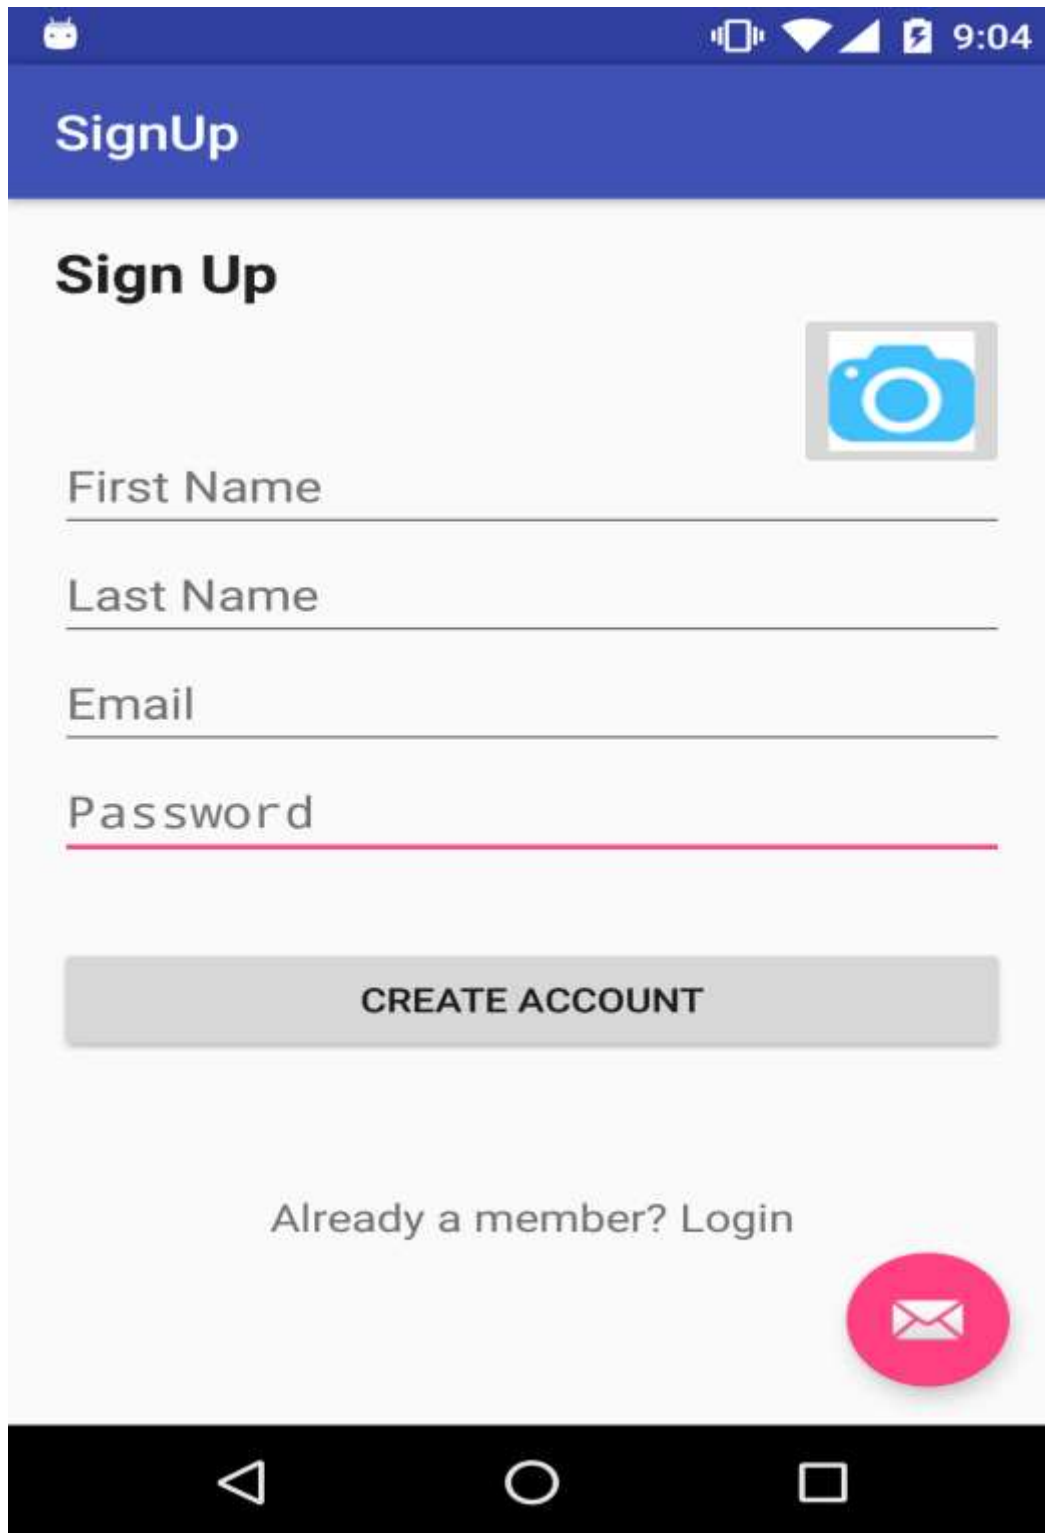

- Application Icon on Home screen

- Login Page

- Sign Up Page

A mobile application sign-up page mockup. The top status bar shows an Android icon, signal strength, Wi-Fi, battery, and the time 9:04. Below is a blue header with the text "SignUp". The main content area has a light gray background with the title "Sign Up" in bold. To the right of the title is a camera icon in a square frame. Below the title are four input fields: "First Name", "Last Name", "Email", and "Password". The "Password" field has a red underline. Below the input fields is a gray button labeled "CREATE ACCOUNT". At the bottom, there is a link "Already a member? Login" and a pink circular button with a white envelope icon. The bottom navigation bar is black with white icons for back, home, and recent apps.

- Sign Up Details

The image shows a mobile application interface for signing up. At the top, there is a dark blue header with the text "SignUp" in white. Below the header, the title "Sign Up" is displayed in a large, bold, black font. To the right of the title is a blue camera icon inside a square frame. Below the title, there are four input fields: the first contains "Arunit", the second contains "Gupta", the third contains "arunitgupta", and the fourth contains a series of dots, indicating a password field. Below these fields is a large, light gray button with the text "CREATE ACCOUNT" in black. Below the button, the text "Already a member? Login" is displayed in a smaller, gray font. In the bottom right corner, there is a pink circular button with a white envelope icon. The entire form is set against a light gray background. At the very bottom, there is a black navigation bar with three white icons: a triangle, a circle, and a square.
